REQUIREMENTS FOR LEADING A LEVEL TWO GROUP

1. Certified Level One leader with experience leading an INSTE group

If you otherwise fulfill the qualifications for leading a group, you may petition for a waiver of the requirement of experience leading a group. If a waiver is granted, you will be sent an application for Level One group leader training, which must be completed before proceeding with training for Level Two group leader training.

2. Graduate of INSTE Level Two or of an accredited Bible College or Seminary

An exception may be made under certain circumstances for a person with leadership experience who lacks Bible College or Seminary training. However, the group leader granted that exception will be required to enroll as a student in Level Two as well as lead the group.*

3. Demonstrates leadership qualities recognized by your church

Two recommendations must accompany the application for Level Two group leader training. One application will be filled out by the pastor; the other by another church leader who is thoroughly acquainted with your ministry. If you are the pastor, have another church leader who knows your ministry—such as your denominational supervisor—fill out the other recommendation. When you give the two recommendations to the persons who will recommend you, also give them an envelope to put it in after they fill it out.

*If you have led a Level One INSTE group through the four courses of that level, but you have not taken the courses as a student, you may petition for permission to test out of Level One. The process is as follows:

- 1. Fill out an application for Level One.
- 2. Pay the fees for the four courses at a special price (\$20 application fee, plus \$20 per course = \$100).
- 3. Take the final exams for the four courses of Level One.
- 4. Receive the Certificate in Christian Ministry (\$10 fee).
- 5. Take the Level Two Group Leader Training.
- 6. Enroll with your group as a student/leader.
- 7. Choose a ministry mentor who has theological preparation and who can advise you.

*If an applicant for Level Two training is not a Level One graduate nor is he/she a graduate of a recognized Bible College or Seminary, he/she will not be considered for Level Two training until he/she has led and studied Level One.

DISTANCE LEADER TRAINING

- 1. Your church has nominated you in accordance with the qualifications listed above.
- 2. After we process your application, we will send you a Training Kit consisting of the Group Leader Manual and Catalog, any INSTE Textbooks that you have selected, and a sealed examination which will be administered to you by a church leader—for example, the INSTE Coordinator in your church—after you have completed the study of the manual.
- 3. You will study the portion indicated each day in the Group Leader Manual. It is important that you study each day for five days so that you experience the INSTE model.
- 4. If more than one person is doing the training at your church—or has previously—meet as a group to talk about what you have studied during the week. If you are the first person to be trained to lead an INSTE group in your church, discuss what you've learned with 2 or 3 leaders in your church.
- 5. After you have studied the material and discussed it with a small group of other leaders in your church, the person who has been named as proctor will administer the exam.
- 6. Your proctor will return the exam to the INSTE office in the enclosed envelope.
- 7. Your exam will be graded. If you pass the exam, your certificate will be emailed to you.
- 8. Please feel free to contact the INSTE office if you have any questions on how to get started.

Please send this form and the accompanying application forms of the person to be trained to:

RESPONSIBILITIES OF A LEAVEL TWO GROUP LEADER

The responsibilities of a Level Two Group Leader are explained in detail in the Group Leader Manual. We summarize those responsibilities below in three areas:

1. Fulfill the administrative responsibilities of leading the group as outlined in the Group Leader Manual.

This includes duties such as guiding the candidates for Level Two through the admission process, enrolling the group, keeping record of attendance and exams, sending final exams and other paperwork to INSTE at the end of each semester, and distributing grades and returned exams to the students.

2. Lead the weekly group meetings.

The Group Leader functions as an INSTE teaching assistant. As such, he/she promises to study the weekly lesson so that he/she is prepared to clarify concepts not understood by members of the group. He/she may call or email the INSTE office for assistance on any academic matter that may arise.

3. Supervise Beyond Academics.

Each student in the group will have an individual ministry mentor, depending on his/her academic track. The Group Leader makes sure the requirements for Beyond Academics are being fulfilled by checking periodically with the students and their mentors.

COMMITMENT TO TRAIN OTHERS

I understand the requirements and responsibilities for being a Level Two Group Leader. If I am successfully trained as a group leader, with the help of the Lord, I will work to the best of my ability to lead an INSTE group toward God's purpose for that group.

CODE OF ETHICS FOR STUDENT RECRUITMENT

Part of your task as a group leader will be to recruit students for your group. You will be trained for this in this course. It is required that each candidate who has to lead a group sign the following Code of Ethics:

If I am certified to lead an INSTE group, I recognize that I have certain responsibilities toward students, the public, and INSTE. To fulfill these responsibilities, I pledge adherence to this Code of Ethics. I will observe fully the standards, rules, policies, and guidelines established by INSTE and all other legally authorized agencies.

If I am certified to lead a group, I will adhere to high ethical standards in the conduct of my duties, and to the best of the ability, will:

- 1. Observe fully the right of all applicants and commit no action that would be detrimental to any applicant's opportunity to enroll because of race, sex, color, or national or ethnic origin.
- 2. Never knowingly make any false or misleading representation to any applicant or use any coercive practices in presenting information.
- 3. Enroll applicants only in the course or courses in which they have expressed their interest, provided they meet the qualifications and standards established by INSTE for enrollment.
- 4. Provide applicants only with information authorized by INSTE regarding occupational opportunities for graduates and never make claims guaranteeing employment, job promotion prospects, or income increase to an applicant.
- 5. State accurately and clearly to prospective students the approvals, church recognition, and course acceptance accorded to INSTE.
- 6. Provide only full and accurate information on the transferability of academic credits and acceptance of diplomas or credentials by other educational institutions and disclose affirmatively the fact that the acceptance of credits and diplomas is entirely the prerogative of the receiving institution and acceptance cannot be guaranteed.
- 7. Provide prospective applicants only complete and accurate information on the total financial obligation they will be incurring prior to accepting their enrollment application.
- 8. Provide students prior to enrolling complete and accurate information about financing options for students and answer any questions.
- 9. Never use tuition assistance from any source as the primary inducement for enrollment.
- 10. Refrain at all times from making any statement or inference that might falsely impugn the integrity or value of any other institution or method of training.
- 11. Discharge faithfully and to the best of my ability, all the duties and obligations and procedures established by INSTE for group leaders and know my obligations and rights as a representative of INSTE.
- 12. Reflect at all times the highest credit upon myself, upon INSTE, and the field of distance education and always strive to enhance the reputation of my ministry through my conduct as an INSTE group leader.
