In accordance with the policy for reviewing a course, an INSTE student may review a course previously studied without cost provided there is room in the group. When there is an insufficient number of students to begin a group, reviews may be added to form a group.

*The student who wishes to review a course must sign the following:*

“I promise to faithfully review the course written above and attend all the group meetings.

As I have already taken the course, I will participate in the group meetings and encourage the other members of the group. I will benefit from this review of what I have previously studied, knowing that the Word of God is alive and effective to contribute to my spiritual life and ministry. As a member of the group, I will support the group leader.”
